

Jupiter Grades

Grades

- *Overview* gives you the student's grade in each of his or her classes.
- From this setting you can directly email the teachers.
- *Details*: If you click on any of the classes, you will see additional information:
 - ✓ Student scores on each assignment.
 - ✓ The weight of each of the categories
 - ✓ The area in which the student is struggling.
- To see the details in other classes, use the pull-down menu or click on overview

Behavior Log

- You can view comments on student behavior, which helps determine the students' citizenship grades.

Personalizing you settings

- Communication is very important at Southwest Middle School. Please insure that your phone number and email are current.
- If you are willing to accept text messages from teachers (through Jupiter grades), select this feature.
- Using the pull-down menu, specify your provider.
- Data charges may apply, according to your plan
- Language preferences can be personalized, using the pull-down menu.
- *Alerts*:
 - ✓ Click on "send me grades every..."
 - ✓ Use the pull-down menu to determine how often you want to be notified.
 - ✓ Check the boxes that describe for what purposes you would like to be notified in that interval, (missing assignments, if grade drops below... or always.)
 - ✓ Students do not have this option, and cannot change these settings.
